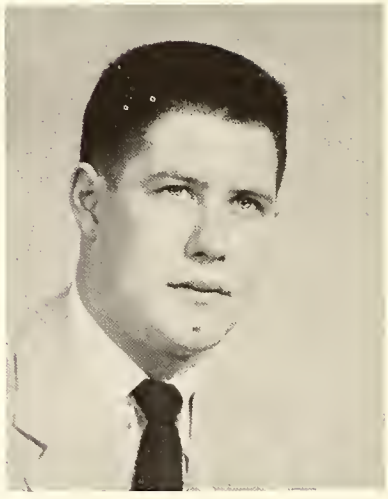
In Memoriam

"For he that once is good, is ever great"
— BEN JOHNSON

Dedication

President Morgan

J. Dale Stahlman



Thomas Halloran

Often we neglect to express appreciation for those extra things we blithely accept as a part of college life. To show our profound gratitude for the realization of our vision of a Student Union at Mansfield State Teachers College, we dedicate the 1956 Carontawan to:

President Morgan
Mr. J. Dale Stahlman
Thomas Halloran.

These three are symbolic of the many who helped . . . "the dream become a reality."

Cheerleaders

The cheerleaders have added much to our athletic contests. Their spirit and enthusiasm have been above reproach. Even in the hour of defeat they have come through with words of encouragement and have helped keep spirits high.

Their task has not been easy. They have worked hard and long to accomplish their goal—to instill in each one of us that all important school spirit. This they have done as best they could.

Congratulations, girls, on a job well done.

ight

During the past year *The Flashlight* Staff has striven to make our college newspaper worthy of the term "collegiate." It is an amateur staff continually striving to do near professional work. The standards it has set for itself are only the highest.

It has reported the news in a straightforward manner. capitalizing on activities of student government and student life. Its editorials have been filled with the idealistic. but it has been mindful to present only those ideals that could become realities with thought and work. Its columns and its feature stories have often humorously satirized the serious. to elicit both laughter and thought, because *The Flashlight* recognizes that he who laughs sincerely must first understand at what he is laughing.

The Flashlight is the ethically and idealistically controlled echo of a great voice—the voice of the Student Body of M.S.T.C.

Who's Who

"Who's Who Among Students in American Colleges and Universities" is an annual honorary publication. The number of students that can be selected is determined by the total enrollment of the college. Qualifications for the honor are excellence and sincerity in scholarship, leadership, participation in extracurricular activities, citizenship, service to the school, and promise of further usefulness to their profession and to society.

The College President, the Dean of Instruction, the Deans of Students, the departmental heads, and the students appointed by the Student Council have the difficult task of selecting students for this, the highest honor which can be bestowed on our outstanding men and women.

Phi Sigma Pi is a national honorary fraternity for men in teacher training institutions. Founded upon the basis of superior scholarship, the fraternity's primary purpose is the advancement of educational ideals. It also exists to meet the needs of close fellowship among men of like ideals, who are interested in striving for higher social expression.

Kappa Delta Pi

Kappa Delta Pi is eager to promote a closer bond among students of education and to enter into more intimate fellowship with those dedicated to the cause of teaching as a profession. On our campus, the Beta Rho Chapter was founded in 1930. As a branch of the national honorary society, it is open to juniors and seniors who have commendable personal qualities, worthy educational ideals, and sound scholarship. The aims of the society are to inspire professional attitudes and high intellectual and personal standards, to promote social ability among its members, and to recognize outstanding contributions to education.

25th Anniversary
1931 – 1956

The year 1955-1956 has been a year of more than routine importance to the Beta Omicron Chapter of Phi Mu Alpha Sinfonia because it marks the 25th anniversary of the chapter.

Beta Omicron was established in Mansfield on May 24, 1931. The organization became very popular, and from the beginning it has been one of the most active on the campus.

On February 24th, 25th, and 26th of this year the anniversary celebration was held. Many of the alumni of Beta Omicron Chapter returned and renewed former acquaintances. Among the returning alumni were some of the charter members of Beta Omicron.

During the celebration there were many activities scheduled for guests and active members. The program included an informal gathering in the Arts Building, a band concert given by the college concert wind ensemble, a banquet, and formal initiation of new members.

Football

The "Mountaineers," headed by their new coach, Mr. Edward Stelmack, wrote a slate of one win, six losses, and no ties for the 1955 football season. The team, under the leadership of co-captains "Yake" O'Donnell and John Zimmerman, survived their first three games, which ended in defeats, with a fine spirit of sportsmanship. These games were with Bloomsburg S.T.C. (27-6), King's College (13-6), and E. Stroudsburg S.T.C. (20-13), respectively. After the contest with E. Stroudsburg at Smythe Park, the M.S.T.C. squad prepared for the Parents' Day game with Kutztown S.T.C. This contest finished with a glorious victory for Mansfield (27-7), with the parents adding their cheers to those of the college. After a taste of victory, the "Mounts" completed their season by dropping the last three matches. They lost to Edinboro S.T.C. (12-6), were defeated by Lock Haven S.T.C. (13-7), and were conquered by Millersville S.T.C. (21-6).

Coach Stelmack comes to Mansfield from Mahoney Joint High School, Dalmatia, Pennsylvania, where he had many successful seasons. He has had valuable experience as a result of working with the U. S. Navy - Gene Tunney Physical Fitness program, and as head coach at Portage and Montgomery Township, Pennsylvania.

Joe Kilheeney, a native of Wilkes-Barre, Pennsylvania, brought honors to M.S.T.C. by being chosen guard of the second team for the All-State Teachers College Conference. He has been a participant in football throughout his college career.

Basketball

Mansfield's basketball team, under the leadership of their new coach, Mr. "Ed" Stelmack, produced a fine record early this season by winning five of the first eleven games. Although they started the season with a loss, Lycoming College (74-65), the Mountaineers quickly staged a comeback and were victorious over Harpur College (45-90). The next three games were not as glorious, with the scores ending on the short end—Brockport S.T.C. (85-66), King's College (74-64), and Lycoming College (86-73). At the next game, on our own court, the Mounts won by a four point margin (65-69) over Lock Haven. The succeeding four games were alternate losses and wins. Ithaca (94-84), Bloomsburg (58-65), Brockport (70-61), and Lock Haven (66-70). The following contest with Wilkes College resulted in another victory for the Mounts (67-79). The results of the season thus far suggest that the remaining seven games will end with the Mountaineers showing their best efforts and sportsmanship.

Baseball

Mr. "Ted" Besanceney, an instructor at the local high school, took over the coaching of the "Mounts" in the absence of Coach "Ed" Rushin for the 1955 Baseball Season. The college athletic director, Mr. "Spotts" Decker, assisted Mr. Besanceney with his task. Mansfield opened their season by traveling to Bloomsburg S.T.C. where they were defeated (8-3). Mansfield's only successful game of the season was a victory over Cortland S.T.C. which ended in an exciting 8-7 score in Smythe Park. The remainder of the season finished disastrously for Mansfield. They received defeats from Bloomsburg S.T.C. (6-4), Lycoming College (11-7), and Lock Haven S.T.C. (6-2) at home, and from Lock Haven S.T.C. (3-2), Cortland S.T.C. (6-5), and Lycoming College (9-5) away.
